Windows Live Messenger will be discontinued on Users will have to use Skype with imported contacts to continue messaging Windows Live Messenger contacts.. It's the fastest way to keep in touch with friends There is also the possibility of having video chats using your webcam, and also make.

messenger kids

Chat conversations are not the only thing you can do with Windows Live Messenger.. Customization possibilities include changing the chat window background or even adding a personal message to your nickname, but not creating custom status messages.. Another great feature in Windows Live Messenger is the possibility to view and share pictures within the chat window, without having to send files over to your contact.. Also, Windows Live Messenger status messages have now been reduced to 'online', 'away' or 'busy' – so no more 'on the phone' or 'out to lunch', for example.

messenger login

Regarding contact lists, the new Windows Live Messenger lets you create specific groups of users, different from the ones previously known as 'groups' and which have now been renamed to Categories. e10c415e6f
